

## Uplowman One Day Challenge 5 October 2014

Results as informed by Si Parsons on 11/11/14

The format was 10 A punches, 10 B punches and 10 C punches- and competitors had to complete one lap of the stage to get the A punches to count, one for the B punches to count and one for the C punches to count- so they had a busy day!

Positions wise:

1st- Derek Hounsell & Chris Kurniak (27 out of a possible 30 punches- and three laps completed so all counted)

2nd- Ian Buckingham & Barrie Reynolds (12 ish punches- after having one punch removed for cheating!)

3rd- Will & Ryan

4th- James Pike & Simon?

5th- Frank Buddle & Barney (who didn't make it to the start line!)
